

Seeing all our projects and teams survive and thrive over the past 11 years has been our biggest success!

Our Beneficiaries

Literally thousands of people have benefited from our projects, across East Sussex and beyond!

Our Motivation

Culture Shift is a small arts charity based in Lewes, East Sussex which was borne out of the national Creative Partnerships programme. The charity now has a wide portfolio of work including work with children, young people and families, disabled adults, adult and young carers.

Achievements

We are proud to have survived and thrived through the experience of COVID!
