Making it Happen Small Sparks Grant Review

No formal monitoring information is required other than a breakdown of how the money was spent. Instead, a contact for the group will be invited to an informal learning and sustainability discussion with the Community Development Worker to talk about the questions below:

Your name:	Name of project:	Community Development worker name:

Learning & Reflection	
What were the successes?	
What were the challenges?	
Any unexpected outcomes?	
Any feedback from participants or people involved in the small sparks grant?	
How beneficial has Making it Happen been in supporting the project?	

How much do you agree with these ideas?	Strongly agree	Agree	Neither Agree or Disagree	Disagree	Strongly Disagree
The small sparks grant helped us to achieve something valuable or useful in our community					
The small sparks grant helped people in our community to connect together in a meaningful way					
We built up some positive social networks as a result of the small sparks grant					
The project has snowballed or has led to other community connections or resources happening					
I think that my wellbeing has improved as a result of the community project (how good I feel and how close I feel to others).					
I think the wellbeing of the community was improved as a result of what we achieved with the small sparks grant					

Moving forward	
Any additional, continued support needed or is the group able to be volunteer and community-led.	
What are your next set of plans?	
Budget breakdown	Please don't forget to attach a breakdown of how the money was spent with receipts as necessary. Thank you.

How much do you agree with the following?	Strongly agree	Agree	Neither Agree or Disagree	Disagree	Strongly Disagree
The criteria for Small Sparks grants are clear and easy to understand					
The application process for Small Sparks grants is straightforward and easy to understand
